Answering God's call to love

Messiah ENewsletter for April 29, 2026

On the web... go to messiahlutheranmqt.org for more information about our congregation and "like" us on Facebook to receive updates and information there.

Messiah Lutheran Church seeks to be a welcoming community for all people. This includes people of every race, ability, sexual orientation and gender identity, ethnic background, economic grouping, religious affiliation, and political persuasion.

We do this simply because God created all people in God's own image and Christ Jesus came so all people might have abundant and eternal life.

We may not always be as welcoming as we should be, but this is our intention—all are welcome!

World Hunger Needs Continue

Any contributions made to the Lenten Hunger Appeal by May 15, will be brought to the Synod Assembly as our congregational offering. Please be generous, the needs of the hungry continue. Contributions to this appeal can be made at any time of the year, of course, but this is our yearly effort for the Synod Event.

[Here is an appropriate table prayer for these times:](#)

“Lord, to those who are hungry, grant food to eat; to those who have food, grant a hunger for justice.” AMEN. (Shared by Pastor Dave Van Kley after a trip to Colombia)

Save the Date: Vacation Bible School 2026

Mark your calendars—Vacation Bible School is coming to Messiah!

June 22–26, 1:00 pm – 4:00 pm (Please note the NEW afternoon time!)

This summer we'll be using Shine Curriculum's #kidsconnect, a creative and justice-centered VBS experience that helps kids explore how we are connected—to God, to one another, and to the world around us. Through storytelling, music, art, movement, and hands-on activities, kids will discover how faith calls us into community, compassion, and courageous love.

Our afternoon schedule is a change from previous years, so be sure to make note of the 1:00–4:00 pm time frame. We hope this new time will make VBS accessible for even more families!

VBS at Messiah is a joyful, inclusive space where all children are welcomed, celebrated, and invited to grow in faith. Whether your family is part of Messiah or new to our community, there is room for you.

Please check the church website for registration information!

Bowls for a Cause

All bowls are homemade and are finished with a food safe finish. If you have questions about the bowls, they can be directed to Paul Carstens at pcarsten@alumni.nmu.edu.

- 1 comb, large toothed preferred
- 1 metal nail clipper
- 2 bath size bars of soap

Other items needed are: 1 bath size towel, dark color preferred
1 toothbrush, adult size in original packaging

Items can be placed in the container provided in the narthex. Monetary donations are also welcomed to purchase needed items - just write "personal care kits" in the memo line. Thank you for your generosity!

Senior Men's Ministry

Messiah's Senior Men's Ministry is meeting every Friday at 9:00 am in room #202. We meet for about an hour. Please join us on Fridays!

Global Fair Trade Market

In 2023 & 2024, members of the Global Mission Team hosted a Fair-Trade Market in November, here at Messiah. This Market is a sustainable way to directly support artisans from around the world, some of whom our congregation has cultivated direct relationships. The shopping experience supplies you with unique gift items, funds fair-trade communities, and highlights the beliefs of Messiah Lutheran within the Marquette community. However,

orchestrating the logistics of the Market requires volunteers from our church. We are currently evaluating the feasibility of continuing with the Fair Trade Market. Volunteers are needed to order and label items, assist with the market budget, and help on market day with set-up, take-down, and cashier stations. If you have any interest in volunteering with the Market, please contact the church office.

Knotty Knitters

The Knotty Knitters will continue to meet at Messiah on the 2nd & 4th Tuesday of each month. The knitters typically meet in Magnuson Hall but occasionally meet in the atrium. They do join one another for lunch at Vangos prior to coming to Messiah. Please contact Jane Phillips for more information.

Council Highlights

Greetings to our Messiah family from your Church Council. The council meets the third Wednesday of every month, at 6:30 pm in room 202. Meetings are open to all congregation members.

In the past month, we have made significant progress towards our future. We approved an interim pastoral agreement with Pastor Solberg to provide twenty hours of pastoral service per week until an Intentional Interim Pastor is named. Bishop Finegan continues to search for an interim and we remain hopeful for her rapid success.

Until then, we will be relying on a number of people to lead worship services. To date, we have commitments for every weekend through June from Pr. Steve, Bp. Finegan, Rev. Sharolyn Swenson, and Messiah members David Echelbarger, Allan Johnson, and Jon Magnuson. In addition, Rev. Elizabeth Hazel from Park Falls, WI will lead services the weekend of May 23/24, and we hope to have Rev. Eugene Cho from Bread for the World in Washington D.C. preach at least one Sunday service when he visits in mid-June. One other visiting pastor has agreed to serve after June; we have yet to establish date(s) for his visits.

A review of Messiah's "financial health" is underway. We are fairly confident that no major changes to the way our finances are managed will be suggested.

And we have a large number of members volunteering to serve on the Transition Team. We will be meeting this month with Rev. Swenson to learn more about the process. And then the tough work begins: selecting the members of the team (six is recommended), providing them "training" and direction, and maintaining a "hands off" oversight of their progress.

Peace be with you all,

Mark Petrie,

Council President

A Daily Guide for April 2026

April 29 – Sit in Quiet

Two minutes is enough. Alone or with others, quiet teaches listening.

April 30 – Look Back

Where did you see life this month? In laughter, in thawing ground, in courage, in forgiveness? Share your answer with someone of a different generation.

Prayer: *God of resurrection, thank you for every small sign of life among us. Amen.*

Community Meal Cook Team

We are in need of one more cook team to make our community meal program a success. Have you ever considered doing this? Do you have questions regarding our community meals? If so, please do not hesitate to inquire in the office. You can cook with a friend or two or you and your spouse/partner could cook... the options are endless. Please consider participating in this ministry!

What is Centering Prayer?

Centering prayer is a form of silent prayer that emphasizes resting in God's presence through silence and a sacred word. It involves finding a quiet space, sitting comfortably, and focusing on a chosen word to help maintain stillness and let go of thoughts. The goal is to cultivate a deeper relationship with God through stillness and receptivity. Several members of Messiah lead groups that practice this form of prayer throughout the week as a piece of their faith life. -

Centering Prayer

OPEN MIND, OPEN HEART *by Thomas Keating—Centering prayer*

The chief thing that separates us from God is the thought that we are separated from Him. We hesitate to believe this until personal experience gives us the confidence to believe in it. This involves the gradual development of intimacy with God. God constantly speaks to us through each other as well as from within. The interior experience of God's presence activates our capacity to perceive Him in everything else—in people, in events, in nature. We may enjoy union with God in any experience of the external senses as well as in prayer.

God's presence is available at every moment, but we have a giant obstacle in ourselves—our world view. It needs to be exchanged for the mind of Christ, for His world view. The mind of Christ is ours through faith...to take possession of it requires a discipline that develops the

sensitivity to hear Christ's invitation: Behold I stand at the door and knock; if anyone opens I will come in and sup with him and he with me. (Revelations 3:20)

Our ordinary preoccupations involve unconscious value systems. Some thoughts are attractive to us because we have an attachment to them springing from the emotional programming of our early childhood. When such thoughts go by, all our lights start flashing because of our heavy emotional investment in the values that they stimulate or threaten. By training ourselves to let go of every thought, we gradually develop freedom from our attachments and compulsions.

Centering prayer is not just sustained attention to a special word or image or to one's breathing, but the surrender of one's whole being to God. Centering prayer is not a relaxation exercise although it may bring relaxation. It is the exercise of our personal relationship with God.

When the presence of God emerges from our inmost being into our faculties, whether we walk down the street or drink a cup of soup, divine life is pouring into the world. The effectiveness of every action depends on the source from which it springs. If it is coming out of the false self, it is severely limited. If it is coming out of a person who is immersed in God, it is extremely effective. The contemplative state brings Christ into the world.

Opportunities to practice centering prayer: Here at Messiah (see calendar) and also online via Zoom at www.meditationchapel.org or online with Minnesota Contemplative Outreach.

Messiah's Jam Ministry

The snow is finally starting to melt and the trees and bushes are slowly showing their spring colors. What does that mean? It's time to start thinking about making JAM!! Grant and Kathy Soltwisch started Messiah's jam ministry over 20 years ago to support the Pastor's assistance fund. Grant retired at the end of last year's jam season and has turned it over to Rebecca Ulland. But while Grant & Kathy were a highly-productive team, Rebecca is all alone in this endeavor so I'm reaching out to you to find out if you, YES YOU, would like to be a part of the jam ministry. There are all levels of support, from donating bags of sugar, to picking or supplying berries and other fruit. However, the biggest need is for more jam-makers. Are you an expert and want to share what you have with our community? Have you ever thought about making jam but don't know where to start? In both cases, YOU ARE WELCOME to join the jam ministry. I love to teach jam-making and would be happy to help you get started. Please contact me if you're interested in supporting Messiah's Jam Ministry. All support is welcome! Thank you! Rebecca Ulland (906.236-3722)

UP Wild Event

Friday, May 15 - Sunday, May 17: Endangered Species Art Installation

The art installation of crosses (carrying the names of animals that have gone extinct) will be on display outside at The Episcopal Diocese of Northern Michigan, 131 E. Ridge St, Marquette, MI. The public is invited to stop by and choose an endangered animal that is up for “spiritual adoption” along with a prayer packet to take home and share with family and friends.

Pastor Steve Invites You...

To meet WEDNESDAYS at NOON for “DWELLING IN THE WORD,” starting May 6. Bring your lunch, if you wish, to Messiah’s Atrium and dwell in God’s Word with fellow disciples and seekers. Pastor Steve is reserving the whole Noon hour but come for the time & times you’re able. Together we’ll reflect using the story of God’s people led by the Holy Spirit in Acts. What is “Dwelling in the Word”? It is a simple, prayerful practice many congregations use to listen more deeply to Scripture and to one another. A short passage is read aloud slowly – usually more than once – with time for quiet reflection. Participants are invited to notice a word or phrase that stands out and to share what they hear God stirring in them. Over time, this shared listening helps us grow in trust, imagination, and clarity about where the Spirit may be leading next.

Interested, but can’t make this day and time? Please contact the church office.

Building & Grounds Team

Messiah’s Building & Grounds Team will be meeting on Thursday, May 7th at 5:00 pm. At this meeting, the team will be discussing spring clean-up around the church & parking lot clean-up/re-paint lines, etc. We will set two different dates for these two events. When the date(s) are selected, we will be sure to announce them. If you are interested in helping, please contact the church office.

Lions Club Fundraiser

The Marquette Lions Club is asking for your support with our annual Flag Rental Fundraiser. For a donation of \$35 or more the Marquette Lions will place a flag in your front yard over the summer holidays. Flags will be put out before Memorial Day weekend, 4th of July, and Labor Day weekend, and then picked up shortly after each holiday. All proceeds will be used for support of community needs involving childhood cancer, vision, and hunger. If you are interested in supporting our club, please call or text Lion Kerry McGinley at 231-250-1092.

Youth News

CONFIRMATION

Our confirmation ministry is being lived out together with partner congregations of our Northern Great Lakes Synod Conference 8. Each month our confirmands gather with youth from these partners at our various church sites. The final confirmation gathering for this school year will be Saturday, May 9th (9:00 am – Noon) at Bethel Lutheran Church in Ishpeming. What gift these young people are to us! Thank you for your support and encouragement of each one, currently Kayleigh Beaudoin, Evan Busick, Adelyn Davis, Brooklyn Fortin, William Kaurala, Violet Rector, Bronce Reece, Sophie Sander, and Emma Ziegler.

Confirmation ministry is a three year journey in which young people explore the basics of Christian faith, Scripture, and Lutheran identity, supported by caring adults and the life of the congregation. Its purpose is to help students grow in trust in God, ask real questions, and prepare to affirm their baptism in community.

Nick’s Run for Recovery – May 30

Dear Messiah Lutheran community,

Every family has a story. Substance use disorder and mental illness impact almost all of us, in many different ways. Coming together to share stories, resources and support can help.

If you have family members or loved ones affected by addiction and/or mental illness, if you are in recovery or would like to be in recovery from substance use, or just want to support the community: Please join Superior Connections Recovery Community Organization(SCRCO) on May 30, 2026 as we host the 4th annual Nick's 5K Run/Walk.

This 5K event honors local Nicholas Suardini who lost his life to suicide due to substance use and mental illness. Our goal is to push back against the hopelessness, isolation and stigma of addiction and mental illness. People struggling with mental health and addiction issues can and do recover with help and hope.

SCRCO is a local, non-profit organization that serves to accompany people in the UP on their walk of recovery as they try to get back on their feet. We operate two recovery residences for men, one in Marquette, and the other in Ishpeming. The men can stay in these houses for 6-12 months as they heal, find jobs, get the helping services they need, and transition to their own housing. It is an important half-way step, after receiving substance use treatment and before reentering everyday life. We also operate Fisher House in Marquette which serves a vital need in providing transitional and structured housing for men. We are currently hoping and planning for an addition of a women's recovery residence in the Marquette area. That will depend on securing grants for the funding.

SCRCO furthermore has a team of peer navigators who are men and women trained to walk step-by-step with participants in our recovery programs. The secret sauce of this service is a mix of compassion, non-judgement, harm reduction and accompaniment. We strive to keep people alive, break the stigma, bring in community partners like yourselves, and create connections for participants and families.

Another important role we perform is to offer sober events which are alcohol and drug-free fun events in the community on a regular basis where people in recovery and their families can enjoy and spend relaxing time together. Pushing back against the ubiquitous alcohol and cannabis culture in Marquette is a job we take seriously.

So, if this sounds at all interesting or fun to you, please join us at Nick's Run for Recovery! Pre-registration ticket purchase (less expensive than race-day) till 5/14/2026 to guarantee shirt size. Registration and shirt pick-up the day of the race from 8:45-9:30am at Elizabeth's Chop House.

The run/walk starts at the Lower Harbour bell tower in Marquette at 10:15am on Saturday, May 30th. Free food and the chance to win door prizes!

To preregister or for more info go to: givebutter.com/NicksRun4, or superiorconnectionsco.org.

Thank you,
Fred Groos

Messiah parish member & president of the Board of Directors of Superior Connections Recovery Community Organization.
