On the web... go to messiahlutheranmqt.org for more information about our congregation and "like" us on Facebook to receive updates and information there.

Messiah Lutheran Church seeks to be a welcoming community for all people. This includes people of every race, ability, sexual orientation and gender identity, ethnic background, economic grouping, religious affiliation, and political persuasion.

We do this simply because God created all people in God's own image and Christ Jesus came so all people might have abundant and eternal life.

We may not always be as welcoming as we should be, but this is our intention—all are welcome!

Texts from Pastor Steve Solberg

Some people have recently called in stating they received a text message from Pr. Steve Solberg asking them to purchase gift cards. Please know that Pr. Steve Solberg will never text you requesting that you buy gift cards of any kind, including APPLE, on his behalf. If you ever get a text or an email message that says it is from Pr. Steve and you aren't sure, don't hesitate to call the church office. We don't want anyone to get scammed.

Pastor Steve Invites You...

To meet WEDNESDAYS at NOON for "DWELLING IN THE WORD." Bring your lunch, if you wish, to Messiah's Atrium and dwell in God's Word with fellow disciples and seekers. Pastor Steve is reserving the whole Noon hour but come for the time & times you're able. Together we'll reflect using the story of God's people led by the Holy Spirit in Acts.

What is "Dwelling in the Word"? It is a simple, prayerful practice many congregations use to listen more deeply to Scripture and to one another. A short passage is read aloud slowly – usually more than once – with time for quiet reflection. Participants are invited to notice a word or phrase that stands out and to share what they hear God stirring in them. Over time, this

shared listening helps us grow in trust, imagination, and clarity about where the Spirit may be leading next.

Interested, but can't make this day and time? Please contact the church office.

Save the Date: Vacation Bible School 2026

Mark your calendars—Vacation Bible School is coming to Messiah!

June 22–26, 1:00 pm – 4:00 pm (Please note the NEW afternoon time!)

This summer we'll be using Shine Curriculum's #kidsconnect, a creative and justice-centered VBS experience that helps kids explore how we are connected—to God, to one another, and to the world around us. Through storytelling, music, art, movement, and hands-on activities, kids will discover how faith calls us into community, compassion, and courageous love.

Our afternoon schedule is a change from previous years, so be sure to make note of the 1:00–4:00 pm time frame. We hope this new time will make VBS accessible for even more families! VBS at Messiah is a joyful, inclusive space where all children are welcomed, celebrated, and invited to grow in faith. Whether your family is part of Messiah or new to our community, there is room for you.

Please check the church website for registration information!

Bowls for a Cause

Turned Wooden Bowls are available for a donation to the community assistance fund. They are located next to the homemade jams in the narthex. All bowls are homemade and are finished with a food safe finish. If you have questions about the bowls, they can be directed to Paul Carstens at pcarsten@alumni.nmu.edu.

Senior Men's Ministry

Messiah's Senior Men's Ministry is meeting every Friday at 9:00 am in room #202. We meet for about an hour. Please join us on Fridays!

Global Fair-Trade Market

In 2023 & 2024, members of the Global Mission Team hosted a Fair-Trade Market in November, here at Messiah. This Market is a sustainable way to directly support artisans from around the world, some of whom our congregation has cultivated direct relationships. The shopping experience supplies you with unique gift items, funds fair-trade communities, and highlights the beliefs of Messiah Lutheran within the Marquette community. However, orchestrating the logistics of the Market requires volunteers from our church. We are currently evaluating the feasibility of continuing with the Fair-Trade Market. Volunteers are needed to

order and label items, assist with the market budget, and help on market day with set-up, take-down, and cashier stations. If you have any interest in volunteering with the Market, please contact the church office.

Knotty Knitters

The Knotty Knitters will continue to meet at Messiah on the 2nd & 4th Tuesday of each month. The knitters typically meet in Magnuson Hall but occasionally meet in the atrium. They do join one another for lunch at Vangos prior to coming to Messiah. Please contact Jane Phillips for more information.

Community Meal Cook Team

We are in need of one more cook team to make our community meal program a success. Have you ever considered doing this? Do you have questions regarding our community meals? If so, please do not hesitate to inquire in the office. You can cook with a friend or two or you and your spouse/partner could cook... the options are endless. Please consider participating in this ministry!

What is Centering Prayer?

Centering prayer is a form of silent prayer that emphasizes resting in God's presence through silence and a sacred word. It involves finding a quiet space, sitting comfortably, and focusing on a chosen word to help maintain stillness and let go of thoughts. The goal is to cultivate a deeper relationship with God through stillness and receptivity. Several members of Messiah lead groups that practice this form of prayer throughout the week as a piece of their faith life. -

Centering Prayer

OPEN MIND, OPEN HEART *by Thomas Keating—Centering prayer*

The chief thing that separates us from God is the thought that we are separated from Him. We hesitate to believe this until personal experience gives us the confidence to believe in it. This involves the gradual development of intimacy with God. God constantly speaks to us through each other as well as from within. The interior experience of God's presence activates our capacity to perceive Him in everything else—in people, in events, in nature. We may enjoy union with God in any experience of the external senses as well as in prayer.

God's presence is available at every moment, but we have a giant obstacle in ourselves—our world view. It needs to be exchanged for the mind of Christ, for His world view. The mind of

Christ is ours through faith...to take possession of it requires a discipline that develops the sensitivity to hear Christ's invitation: Behold I stand at the door and knock; if anyone opens I will come in and sup with him and he with me. (Revelations 3:20)

Our ordinary preoccupations involve unconscious value systems. Some thoughts are attractive to us because we have an attachment to them springing from the emotional programming of our early childhood. When such thoughts go by, all our lights start flashing because of our heavy emotional investment in the values that they stimulate or threaten. By training ourselves to let go of every thought, we gradually develop freedom from our attachments and compulsions.

Centering prayer is not just sustained attention to a special word or image or to one's breathing, but the surrender of one's whole being to God. Centering prayer is not a relaxation exercise although it may bring relaxation. It is the exercise of our personal relationship with God.

When the presence of God emerges from our inmost being into our faculties, whether we walk down the street or drink a cup of soup, divine life is pouring into the world. The effectiveness of every action depends on the source from which it springs. If it is coming out of the false self, it is severely limited. If it is coming out of a person who is immersed in God, it is extremely effective. The contemplative state brings Christ into the world.

Opportunities to practice centering prayer: Here at Messiah (see calendar) and also online via Zoom at www.meditationchapel.org or online with Minnesota Contemplative Outreach.

Messiah's Jam Ministry

Rebecca Ulland is the sole jam-maker in this endeavor and is wondering if you, YES YOU, would like to be a part of the jam ministry. There are all levels of support, from donating bags of sugar to picking or supplying berries and other fruit. However, the biggest need is for more jam-makers. Are you an expert and want to share what you have with our community? Have you ever thought about making jam but don't know where to start? In both cases, YOU ARE WELCOME to join the jam ministry. I love to teach jam-making and would be happy to help you get started. Please contact me if you're interested in supporting Messiah's Jam Ministry. All support is welcome! Thank you! Rebecca Ulland (906.236-3722)

Youth News

CONFIRMATION

Our confirmation ministry is being lived out together with partner congregations of our Northern Great Lakes Synod Conference 8. Each month our confirmands gather with youth from these partners at our various church sites. The final confirmation gathering for this school year will be Saturday, May 9th (9:00 am – Noon) at Bethel Lutheran Church in Ishpeming.

What gift these young people are to us! Thank you for your support and encouragement of each one, currently Kayleigh Beaudoin, Evan Busick, Adelyn Davis, Brooklyn Fortin, William Kaurala, Violet Rector, Bronce Reece, Sophie Sander, and Emma Ziegler.

Confirmation ministry is a three year journey in which young people explore the basics of Christian faith, Scripture, and Lutheran identity, supported by caring adults and the life of the congregation. Its purpose is to help students grow in trust in God, ask real questions, and prepare to affirm their baptism in community.

Nick's Run for Recovery – May 30

Dear Messiah Lutheran community,

Every family has a story. Substance use disorder and mental illness impact almost all of us, in many different ways. Coming together to share stories, resources and support can help.

If you have family members or loved ones affected by addiction and/or mental illness, if you are in recovery or would like to be in recovery from substance use, or just want to support the community: Please join Superior Connections Recovery Community Organization (SCRCO) on May 30, 2026 as we host the 4th annual Nick's 5K Run/Walk.

This 5K event honors local Nicholas Suardini who lost his life to suicide due to substance use and mental illness. Our goal is to push back against the hopelessness, isolation and stigma of addiction and mental illness. People struggling with mental health and addiction issues can and do recover with help and hope.

SCRCO is a local, non-profit organization that serves to accompany people in the UP on their walk of recovery as they try to get back on their feet. We operate two recovery residences for men, one in Marquette, and the other in Ishpeming. The men can stay in these houses for 6-12 months as they heal, find jobs, get the helping services they need, and transition to their own housing. It is an important half-way step, after receiving substance use treatment and before reentering everyday life. We also operate Fisher House in Marquette which serves a vital need in providing transitional and structured housing for men. We are currently hoping and planning for an addition of a women's recovery residence in the Marquette area. That will depend on securing grants for the funding.

SCRCO furthermore has a team of peer navigators who are men and women trained to walk step-by-step with participants in our recovery programs. The secret sauce of this service is a mix of compassion, non-judgement, harm reduction and accompaniment. We strive to keep people alive, break the stigma, bring in community partners like yourselves, and create connections for participants and families.

Another important role we perform is to offer sober events which are alcohol and drug-free fun events in the community on a regular basis where people in recovery and their families can enjoy and spend relaxing time together. Pushing back against the ubiquitous alcohol and cannabis culture in Marquette is a job we take seriously.

So, if this sounds at all interesting or fun to you, please join us at Nick's Run for Recovery! Pre-registration ticket purchase (less expensive than race-day) till 5/14/2026 to guarantee shirt size. Registration and shirt pick-up the day of the race from 8:45-9:30am at Elizabeth's Chop House.

The run/walk starts at the Lower Harbour bell tower in Marquette at 10:15am on Saturday, May 30th. Free food and the chance to win door prizes!

To preregister or for more info go to: givebutter.com/NicksRun4, or [Superiorconnectionsarco.org](https://superiorconnectionsarco.org).

Thank you,
Fred Groos
Messiah parish member & president of the Board of Directors of Superior Connections
Recovery Community Organization.
